RUBC SELECTION CRITERIA 2009 / 10

To improve communication between members and the selection committee, the following criteria will be used as a basis for selection during the 2009/10 season. Players will be assessed continually according to these criteria. Players looking at an ultimate role or promotion should reference these criteria in their request. Those looking for promotion can also provide feedback as listed below.

The role of selector is often a hard one. If you feel you are being overlooked or under utilized please don't hesitate in contacting the selectors and we will assist you as much as possible. Please remember that pennant is a club event and, as such, selectors must put the club's interests above those of individual members.

CRITERIA ON GRADING FOR SELECTION**Club Games**

Consistency / correction, shot selection / head reading and ability under pressure.

Tournaments (includes Metro Events, Grand Prix and Australian Open)

Consistency / results, ability to play designated role, assist in team cohesion and performance under pressure.

Pennant

Ability to play designated role, willingness to vocally support the rink and the team, and ability to follow instruction on shot selection.

Training

Ability level on various shots, willingness to develop parts of the game.

FORMS OF FEEDBACK USED FOR SELECTION**Skips / Teammates**

Teamwork, consistency / correction, shot selection, head reading, ability to play designated role, ability to follow instruction.

Coaches

As above. Ability under pressure, ability on various shots, willingness to develop parts of players game.

Pennant Scoring Sheets

Stat cards. The emphasis with stat cards is on the individual themselves. This is not mandatory. It is merely an opportunity for selectors to review hard data. If stats are kept, it is advised that a teammate agree that the stats are accurate.

BOWLS CUSTOMS

The most expressive definition of etiquette is "conventional decorum". It is those little acts that help to make bowls a better game.

- All players should fairly share the task of kicking bowls after completion of an end.
- Bowlers should give the skip their loyal support and comply with directions.
- In changing ends, players must not stray onto neighbouring rinks.
- Opposing leads should facilitate play by handing the mat and jack to each other, as convenient.
- It is good sportsmanship to acknowledge displays of exceptional skill.
- Inconsiderate distractions such as loud noises or conversation, visible movement of players, objects or shadows, impact of kicked bowls, etc, should be avoided while a bowler is on the mat preparing for delivery.
- Bowlers should not interfere with the head until the result of the end has been agreed.
- Players should shake hands at the end of a game.
- Mats and jacks should be collected and returned to the usual distribution point.
- Players in singles matches should include markers in the invitation for a refreshment.
- Spectators should not interfere with the conduct of matches, and their behaviour must not upset the concentration of players when they are on the mat. They must respect the players.
- Do not "ride" opposition bowls. That means don't say anything that indicates you want something bad to happen to your opponents bowl. Saying things like "hit us up", "go through the hole", "miss" or "go into the ditch" only creates bad feelings in a match.
- Don't be late for arranged club games. Be prepared and ready to start play on time.
- Always place your bowls on the green. Don't drop them. Ours, and other clubs greens are their greatest asset. Respect them as such.

RINK REPORTS

- We would like the skippers to sit down with their team for 3 or so minutes after the game, and evaluate each others performances for the day.
- Use this opportunity to discuss the days play in a constructive way.
- This is not an easy process but the more you do it the easier it is to adopt.
- Team Captains to ensure that this process is adhered to, reports collated and handed to the team managers for submission to the selectors.
- After discussion and finalising rink reports, individually complete your voting slips

GOALS FOR 2009 - 2010

Division 1 - 1st Side	Top 4
-----------------------	-------

Division 2 - 2nd Side	Top 4
-----------------------	-------

Division 5 - 3rd Side	1st - promotion to Div 4
-----------------------	--------------------------

Division 5 - 4th Side	Top 4
-----------------------	-------

Division 8 - 5th Side	Top 4
-----------------------	-------

The goal for this season for each team is 11 wins. This will ensure a spot in the finals.
