BOWLING INFO

Barefoot bowls is a fun, casual version of bowls, perfect for Christmas parties, hens parties, bucks parties, birthday parties or just a fun and relaxed activity with friends!

We accept bookings of up to 10 people per rink with 14 rinks available. We provide the mats, jacks, bowls and even a host to show you the ropes!

If you don't want to bowl bare foot, that's no problem! We do politely request that you wear flat-soled footwear on our greens.

Our greens are surrounded by 7 covered seating areas as well as bench style seating so there are plenty of seating and covered options. Your group will be allocated a seating area nearest to your rinks on the day of your booking
